

Shetland Pony Breed Show Festival Week – Stud Visits

STUD VISITS

In the week prior to the Breed Show, many studs will be delighted to welcome visitors. We have collated a list of studs, in each geographical area, that will be open to visitors on a specific day; this includes contact information for the studs as well. Hopefully this will help visitors make the most of their time in Shetland knowing that studs will welcome them on these set days, without prior arrangement.

Only Fully Paid PBSA Members have had the opportunity to be included in the list of Studs open to visitors.

It must be noted transport is NOT provided this is solely a list of studs open to visitors on these set days. The PBSA cannot be held responsible for any incidents which occur, this is strictly enter at your own risk
