P R E F A C E.

No apology can be necessary for issuing this, the First Volume of the Shetland Pony Stud-book Society. It is well known how great advantages have accrued through registration to the Thoroughbred, the Hackney, and the Clydesdale breed of horses; and there is ample reason for expecting similar advantages in the case of the Shetland pony. With these intentions the present Stud-book has been prepared.

At the request of the Committee, introductory articles have been written by three gentlemen highly qualified for the purpose. JAMES M. GOUDIE, Lerwick, contributes "The Early History of the Shetland Pony"; J. J. R. MEIKLEJOHN, Bressay—"Its Breeding and Management"; and ROBERT BRYDON, Seaham Harbour—"Employment After Leaving Shetland." The Committee desire to thank these gentlemen for their services.

They, at the same time, have to acknowledge their indebtedness to the following gentlemen for their assistance in promoting this Society:—Gavin Hadden of Dalmuinzie; Robert Brydon, Seaham Harbour; Ranald Macdonald, Factor, Chuny Estates; John Bruce of Sumburgh; J. J. R. Meiklejohn, Bressay; Gilbert Anderson, Hillswick; James Duncan, Inverness; Anderson Manson, Laxfirth; Alexander Sandison, Uyasound; and especially to George Bruce, Aberdeen (*Honorary Secretary*), as chief promoter of this work.
