1. RULES RELATING TO EXHIBITORS

- 1.1 **Dress Code:** Dress must be neat and smart. Footwear should be appropriate, sturdy and dark in colour. Sensible footwear is essential to allow a pony to be shown effectively. White or brightly coloured footwear is not permitted. Trousers should be smart, blue denim jeans are not permitted. Where possible, exhibitors should wear a collar and tie or blouse/shirt with jacket and neat trousers or skirt/kilt. Hats are not compulsory but are recommended as, without doubt, they improve the overall picture of pony and handler (and may be compulsory at some Shows). Baseball caps are not permitted. There must be no individual stud, business, person or pony names displayed in any way in the ring e.g. on clothing, rugs, saddle cloths. Whips or show canes carried must not exceed 30" in length. Spurs may not be worn in ridden classes
- 1.2 **Ring Etiquette:** The Judge must never be spoken to using his/her name. Listen to instructions provided by the Steward or Judge and watch exhibitors in front of you. When asked to walk/trot a pony out, ensure the pony travels with you - do not drag it along. When turning the pony, push it away from you - do not pull it towards you. **For Health & Safety purposes judges and exhibitors must remain standing whilst in the ring when showing ponies. KNEELING IS NOT PERMITTED.** Do not ever leave the ring before the end of the class without first gaining the permission of the Judge, through the Steward. **Mobile phones are not permitted to be seen or used in the ring under any circumstance either by judge or exhibitor.**
- 1.3 **Trimming/Clipping:** the pony's ears may be trimmed flat but there must be no trimming inside the ear. Trimming of whiskers on the jaw line is acceptable. Sensory whiskers MUST NOT be trimmed. **Manes and tails must not be pulled but tails should be rough trimmed so that they are just at ground level.** Leg feathers must not be trimmed. No false hair, artificial colouring or make-up should be used. Working ponies of four years old or over may be clipped on their bodies only in the interest of welfare. Under no circumstances should foals be clipped. Ponies should always be shown in a clean condition.
- 1.4 **Tack/Equipment:** In hand colts/stallions of two years old or over must be shown bitted and are advised to display a stallion bridle badge, which are available to purchase from the SPSBS. **Younger animals and older females may be shown in a suitable smart head collar, filly slip or bridle.** For In-Hand showing, only plain, English-style jointed or straight bar snaffles are permitted. Chifney or other similar bits are not acceptable. **The use of solid metal curb chains is prohibited.** For ridden classes, suitable bridles must be used. In the interests of safety, handlers aged 14 yrs. or under must wear a hard hat when exhibiting in In-hand classes. Hard hats, conforming to current British Safety standards must be worn, and be correctly secured, by all ages of exhibitors in ridden classes. In lead rein classes, ponies must be shown in a suitable snaffle bridle with the reins going directly from the bit to the

rider's hands. The lead rein must be attached to the nose band only.

- 1.5 Registration/Eligibility: at Affiliated Shows –To enter a stallion in ANY class (in-hand or performance) at an affiliated show, entire males aged 4 years old and over must have an "S" number and have been successfully through either the SPS-BS Stallion assessment prior to 2006 or the current SPS-BS Voluntary Veterinary Examination. Ridden stallions MUST display a stallion bridle badge. In hand colts/stallions of two years old or over must be shown bitted and are advised to display a colt or stallion bridle badge, these are available to purchase from the SPS-BS. Three year old fillies with foals at foot may not be shown. Foals must be a minimum of three weeks old on the day of the Show. Colts and stallions are not permitted in Young Handlers classes. Children aged under 14 yrs. may not show colts (excluding foals) or Stallions in In-hand classes. **Children aged under 12 years old on the day of their class may not show a stallion in ridden classes.**

Please ensure that your pony is correctly registered in your name as required by law. If the pony is on loan/lease, then that should be lodged in writing with the SPS-BS office.

- 1.6 Championships: where a Shetland is eligible to go forward to a Supreme Championship involving other breeds, every effort should be made to attend. This should be considered an honour and an opportunity to promote and bring the Shetland breed to the attention of others. If you cannot attend a Championship for which you are eligible, please ensure you advise the Show Secretary and/or Steward as soon as possible. At a show where there is a parade of ponies, in order to promote the breed, exhibitors should make every effort to take part and should be smartly dressed as for showing.
- 1.7 General Information:
Ponies must be the bona fide property of exhibitors or have a lease agreement lodged with the SPS-BS at the time of entry to any affiliated show.

It is recommended that exhibitors of Shetland Ponies have their own Third Party/Public Liability insurance.

3. RULES RELATING TO SPS-BS PANEL JUDGES

- 3.1 The SPS-BS view their judges as ambassadors for the Society and they should conduct themselves accordingly at all times. The Society expects its Judges to uphold and enforce the rules of the Society.**
- 3.2 In order to remain on the judging panel, judges must attend at least one SPS-BS Judges' seminar within a three year rolling period. Failure to do so will result in removal from the judges' panel.**
- 3.3 All Judges that are on the current SPS-BS Panel must be fully paid-up Members of the Shetland Pony Stud-Book Society. Subscriptions must be paid in advance by the 1st of December each year. The Annual Return Form, as provided by the SPS-BS, must be returned within the advised timescale. This applies equally to Trainee Judges, Intermediate and Senior Judges. Membership may be Annual, Life, Honorary or Associate, Joint or Family.
- 3.4 A judge should remember that it is a great honour to be invited to judge at a show. They should reply promptly to any invitation and, having made any commitment, should honour it.
- 3.5 A judge who feels unable to judge any class in the schedule must inform the show secretary well in advance of the show.
- 3.6 A judge should report to the secretary of the show at least half an hour before judging is due to begin.
- 3.7 A judge should be neatly and appropriately dressed. A suitable hat must be worn at all affiliated shows.
- 3.8 Mobile phones are not permitted to be seen or used in the ring under any circumstance either by judge or exhibitor.**
- 3.9 A judge should avoid meeting exhibitors, their helpers and ponies on the day of the show prior to entering the show ring in which they are to judge.
- 3.10 The Society discourages the touching of ponies on health and safety grounds. Should you choose to touch ponies when judging them it is on the understanding that you do so at your own risk and the Society accepts no responsibility for anything that may result from your actions. Absolutely no touching of ponies' mouths is permitted.**
- 3.11 It should be remembered that each competitor pays the same entry fee and therefore merits the courtesy of having their pony inspected and placed.
- 3.12 No contact should be made between the judge and the spectators during the period when judging begins and ends.

- 3.13 A judge must not call any exhibitor by their name in the ring and must always remain completely impartial. No social conversation should take place prior to showing or in the ring. Judges must not accept any hospitality from an exhibitor and should avoid staying with any potential exhibitor at shows where they will be judging.
- 3.14 Instructions to exhibitors should be relayed through the steward of the ring.
- 3.15 The SPS-BS seeks to ensure that all its competitions are judged fairly and that there is no bias or favouritism. This is only achievable if owners, exhibitors, riders, handlers and judges observe the following rules, in the spirit in which they are intended.

A judge may not:

- place in a class a pony which to their knowledge has been bred, sold, leased or produced by the judge or their immediate family, partner, business partner or employer.
 - place in a class a pony in which they have had a financial interest since 1st January of the preceding year.
 - place in a class a stallion by whom they have had a mare stunted in that season.
 - judge any rider/handler who has shown in a class a horse/pony owned, produced or trained by them since the 1st of January of the preceding year.
 - should a situation arise when such a pony appears, a referee, preferably on the appropriate panel of judges, should be appointed by the show secretary to place the pony in question in its position in the class;
 - have as their Steward any person who owns a pony, has bred a pony or has any other interest, financial or otherwise, in a pony in the class being judged.
- 3.16 If any pony entered in a class is, in the opinion of the judge, unsound, the judge may, at their discretion, require the exhibitor to withdraw the pony from that class, subject to the right of the exhibitor to refer the matter to a veterinary surgeon, should one be in attendance. If no vet is available, then the judge's decision on the matter is final.
- 3.17 For Health & Safety purposes a judge must remain standing and should ensure that all exhibitors remain standing whilst in the ring when showing ponies. KNEELING IS NOT PERMITTED.**
- 3.18 A judge may be accompanied in the ring only by one of the Society's trainee judges or by a person or persons appointed by the show. A judge should not permit a trainee judge for whom they have acted as a nominator to officiate alongside them
- 3.19 Judges are forbidden to refer to the show catalogue either before or during judging. They are, however, encouraged to carry a schedule, which should be carefully studied, noting the number of rosettes available and any special awards. Also, special attention should be given to the correct procedure for judging the Championships, using the schedule.
- 3.20 Judges should acquaint themselves with the ring they will be judging in and arrange to meet their stewards at an appointed time. Before judging commences discuss with your

steward the procedure you would like to use while judging, such as where to line up, which corner to use for change of rein etc. Also, make sure the rosettes, qualifying cards etc are all accessible for awarding at the end of the class. Whenever possible issue instructions regarding the conduct of the class through your steward. Always thank your steward at the end of the classes.

- 3.21 It should be noted that ponies over 4 years old are permitted to be shod or unshod.**
- 3.22 Judges invited to officiate at the Breed Show must not undertake any judging appointments for **affiliated Shetland pony classes** in the year of the Breed Show prior to the Show taking place. Breed Show Secretaries must inform Judges of the above at the time of invitation. Judges must not have ponies of their own entered in the Show.
- 3.23 Judges without an "R" may not judge ridden classes where there are more than two Ridden classes or the best ridden pony is to go forward to an overall Mountain and Moorland Championship, or where the class is a qualifier for Area or National Mountain and Moorland Championships.
- 3.24 Be cautious and sensitive in any remarks made after the judging is complete. However, Judges should be open to questions from exhibitors regarding reasons for the placings of their animals but keep your reasons brief, polite and discreet.
- 3.25 You know that your integrity as a Judge is beyond question - make sure that it is seen to be so. A judge must be totally unbiased and fair. It must also be remembered that it is the ponies only that are being judged.
- 3.26 Judges should go to the secretary's office before leaving the showground to check on any queries and thank the show committee for its hospitality.
- 3.27 All judges must inform the SPS-BS Council prior to accepting any engagements to judge abroad, if asked to judge in the capacity of a SPS-BS panel judge. Judges are encouraged to take Society rosettes if they are judging for Daughter Stud-Book Societies.
- 3.28 Ridden stallions **MUST** display a stallion bridle badge. In hand colts/stallions of two years old or over must be shown bitted and are advised to display a colt or stallion bridle badge, these are available to purchase from the SPS-BS.
- 3.29 **Judges should exercise discretion in accepting invitations to judge the same section at a show in the same area in any one year.** Judges must not, under normal circumstances, undertake more than six affiliated shows in any calendar year and the shows must be well spaced apart geographically. Having judged at any show in the UK, a Judge must not return to that show to judge within a three-year period other than in exceptional circumstances, in which case the SPS-BS office must be informed as soon as possible.
- 3.30 Judges must not canvass for judging appointments.
- 3.31 A judge who judges at a show at which a trainee judge has been accepted should fill in their

report promptly, providing as much information as possible. Failure to do this may delay a trainee's progress. Reports should not be discussed with the trainee judge and should give an honest and accurate account of the senior judge's opinion of the trainee judge as a future panel judge and ambassador for the Society. **Reports should be completed thoroughly and submitted directly to the SPS-BS Office.** All reports, whether qualifying or not, must be returned to Shetland House by the Senior Judge.

3.32 Judges should ensure they are familiar with the entirety of the SPS-BS Rule Book and be aware that they have the authority to request the removal from the ring of any owner/pony who they feel has not complied with the Society Rules.

3.33 Judges Seminars are arranged by the SPS-BS. It is compulsory for SPS-BS panel Judges to attend one of these seminars every 3 years within a 3 year rolling period. Current topical issues will be discussed. Failure to attend will result in removal from the judging panel until such time as a Seminar has been attended.

3.2.3 When arranging an appointment to attend a show as a trainee judge, the trainee should first request permission to do so, not only with the officiating senior judge but also with the show secretary. It must be understood that some shows do not permit trainee judges. The Society must be notified of shows to be attended once permission has been granted.

- 3.2.4 A trainee should ensure that the senior judge, with whom they have judged a particular show, is given a Trainee Judges Report form and a stamped envelope addressed to the Society. If an SAE is not provided for the Senior Judge, the report may not count towards the total required. For a report to count towards the total number required, there must be a minimum of three Shetland classes and 15 ponies forward.
